PLATO CERTIFIED CONSULTANT (PCC)

Apply PLATO e1ns at the Customer.

As a PCC you will get access to all modules of the e1ns software. Further you will support customers in the design, implementation and realization of the FMEA development process with PLATO software.

For certification, you have to take an examination. This entitles you to present yourself as a certified consulting partner of PLATO. Furthermore, you are entitled to use the partner logo on your website.

Additionally you are listed on the PLATO website as a PCC and receive orders from PLATO if required.

PLATO offers you:

- PLATO e1ns software licenses
- Latest Windows and Office licenses
- Annual training via web and videos
- Consultant profile on the PLATO homepage
- Use of the PCC logo
- Service and updates
- Certificate

Annual fee: 3.000 €
